To Whom It May Concern:

It is my pleasure to recommend Delaila Garcia, a bright, hardworking young lady, for acceptance to University. During the 2016-17 school year, Ms. Garcia was a valuable asset to my SAT Preparatory Study class, a productive member of the Interact Club I sponsor, and a very helpful volunteer, assisting me with filing and paperwork after school. I have observed her as she demonstrates excellent communication skills, a mature command of the written word, and an admirable work ethic.

With her technology productions magnet program, Delaila has completed several truly outstanding digital media projects, all while maintaining a high GPA in her honors and AP classes. She holds various industry certifications, and is active in several student organizations, such as Interact and SECME. Her peers like and respect her, as do her teachers.

In short, I am confident that these attributes will transfer to any task she wishes to undertake. Please consider her a valuable candidate for admission.

Sincerely,

Maria Campos, M.S. Ed.
