APAGE Bible Club

(Member Since 2015)

SECME

(Member Since 2014)

BIOGRAPHY

As a Technology Production (Digital Media Design) student at Miami Arts Studio 6-12, I aspire to be a Graphic Designer and a future business owner. Throughout my years at MAS 6-12, I have been industry certified in Adobe Illustrator and Adobe Photoshop, as well as awarded "Excellence in Technical Production" for three years in a row and "First Place" in Miami-Dade County Fair's photo restoration competition in 2016. Currently, my un-weighted GPA is at a 3.83 and my weighted GPA is 4.52. While attending MAS 6-12, I have found a passion for graphic designing and plan to open a marketing agency. When I think of my future, I think of attending Savannah College of Art and Design, Perdue, or University of Central Florida. The fields of study that relate to my projects include graphic design, advertising, digital animation, and marketing. No matter the challenge given to me, I strive for the best and I am open to learning. It takes criticism as a means to improve.

EDUCATION

ADOBE PHOTOSHOP CC CERTIFICATION (2017)

ADOBE ILLUSTRATOR CC CERTIFICATION (2016)

COMPUTING FUNDAMENTALS CERTIFICATION (2016)

LIVING ONLINE CERTIFICATION (2016)

MIAMI ARTS STUDIO 6-12

August 2013 - June 2017

Graphic Design

Un-weighted GPA: 3.83 Weighted GPA: 4.52

COMMUNITY SERVICE HOURS

117 Hours Completed

I have helped my community in various ways - from helping my teachers set up their classes for the new school year to bringing awareness to several social issues, like Suicide Prevention and Autism.

AWARDS

For Excellence in Digital Media Design *(August 2013 - June 2016)*

Miami-Dade County Fair - Fair Photo Restoration 1st Place *(April 2016)*
